SUBJECT: Formal Amendment #27 to the 2004 Federal Transportation Improvement Program

Dear Ms. Falsetti:

Enclosed for your review and approval is the documentation for Formal Amendment #27 to the 2004 Federal Transportation Improvement Program (FTIP).

The projects proposed in Amendment #27 conform to the applicable SIPs and meet all the applicable transportation planning requirements per 23 CFR Part 450. The projects are exempt from the requirement to determine conformity per Table 2 of 40 CFR 93.126, thus, no further conformity determination is required. The addition of the projects do however require a formal amendment. The proposed projects do not interfere with the timely implementation of any approved TCMs. The 2004 FTIP as amended meets all the applicable transportation planning requirements per 23 CFR Part 450.

A 30-day public comment and review period was completed with a public hearing held on July 26, 2006 at SJCOG. No significant comments were received. On July 27, 2006, the SJCOG Board approved FTIP Amendment #27. State and federal approval is required.

FTIP Amendment #27 amends SJCOG's 2004 FTIP to add the following projects:

1) San Joaquin Regional Transit District FTA Section 5309 earmark E2004-BUSP-078, Facility Upgrades project (CTIPs ID #212-0000-0337). Project includes costs to modernize/expand the facility to support current and future operations. Additional operations/maintenance capacity is needed due to the 80% increase in fleet over the last 24 years. This project adds \$58,545 in FTA Section 5309 (c) Bus funds and \$14,636 in required local matching funds to FY 2005/06.

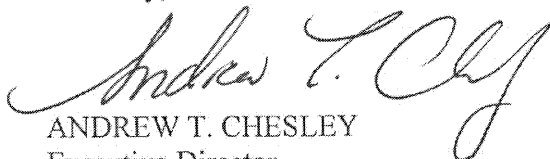

- 2) San Joaquin Regional Transit District FTA Section 5308 earmark E2006-CLNF001, Hybrid Diesel-Electric Replacement Buses project (CTIPS ID #212-0000-0338). Project includes cost associated with the purchase of Hybrid Diesel-Electric Replacement buses. This project adds \$247,500 in FTA Section 5308 Clean Fuels Program funding and \$61,875 in local matching funds to FY 2005/06.
- 3) City of Tracy Tracer Transit project (CTIPS ID 212-0000-0206) Passenger Shelters and Bus Turnouts, construction of 18 shelters over the next three years. The amendment adds \$324,000 in FTA 5307 funds and \$81,000 in local funds to FY 05/06.
- 4) City of Tracy (CTIPS ID 212-0000-0208) Transit Planning, costs to support transit planning efforts to update the City of Tracy Short-Range Transit Analysis and Action Plan. The amendment adds \$9,771 in FTA 5307 funds and \$2,442 in local funds to FY 05/06.
- 5) City of Tracy Tracer Transit project (CTIPS ID 212-0000-0149) Operating Assistance, costs associated with the delivery of Tracer fixed route and comparable paratransit services. The amendment adds \$30,000 in FTA 5307 funds and \$30,000 in local funds to FY 05/06.

The supporting documentation includes the following:

1. CTIPs printout for FTIP Amendment #27
2. Expenditure Plan Revisions
4. SJCOG Board Resolution #R-07-02

Re: FY 2004 Lapsing Bus Allocation

Dear Ms. Kelsay:

I am writing to express my concern over a potentially lapsing Federal Transit Administration (FTA) Section 5309 Fiscal Year 2004 earmark. These funds will lapse and be made available for other projects if a grant application is not awarded in FTA's Transportation Electronic Award and Management (TEAM) system by September 15, 2006. I urge your immediate attention to this matter.

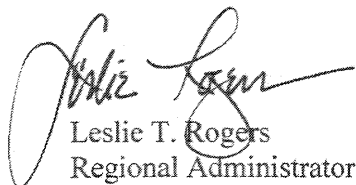

For the following congressional earmark (s), please submit a complete grant application to the FTA by June 30, 2006:

- E2004-BUSP-078, San Joaquin RTD Buses and Bus facilities, \$58,545

A grant application must meet all FTA requirements to be considered complete including: all projects must be in a Federally-approved State Transportation Implementation Program; all environmental findings must be made by FTA; there must be an adequate project description; local share must be secure; all required civil rights submissions must have been submitted; and, certifications and assurances must be properly submitted.

Please contact Lorraine Lerman, Community Planner, at (415) 744-2735 to discuss any question or concerns regarding your application at your earliest convenience.

Sincerely,

Leslie T. Rogers
Regional Administrator
